'Acknowledgement of Country' by Jonathan Hill

*Today we stand in footsteps millennia old.
May we acknowledge the traditional owners
whose cultures and customs have nurtured,
and continue to nurture, this land,
since men and women
awoke from the great dream.
We honour the presence of these ancestors
who reside in the imagination of this land
and whose irrepressible spirituality
flows through all creation.*

The four principles

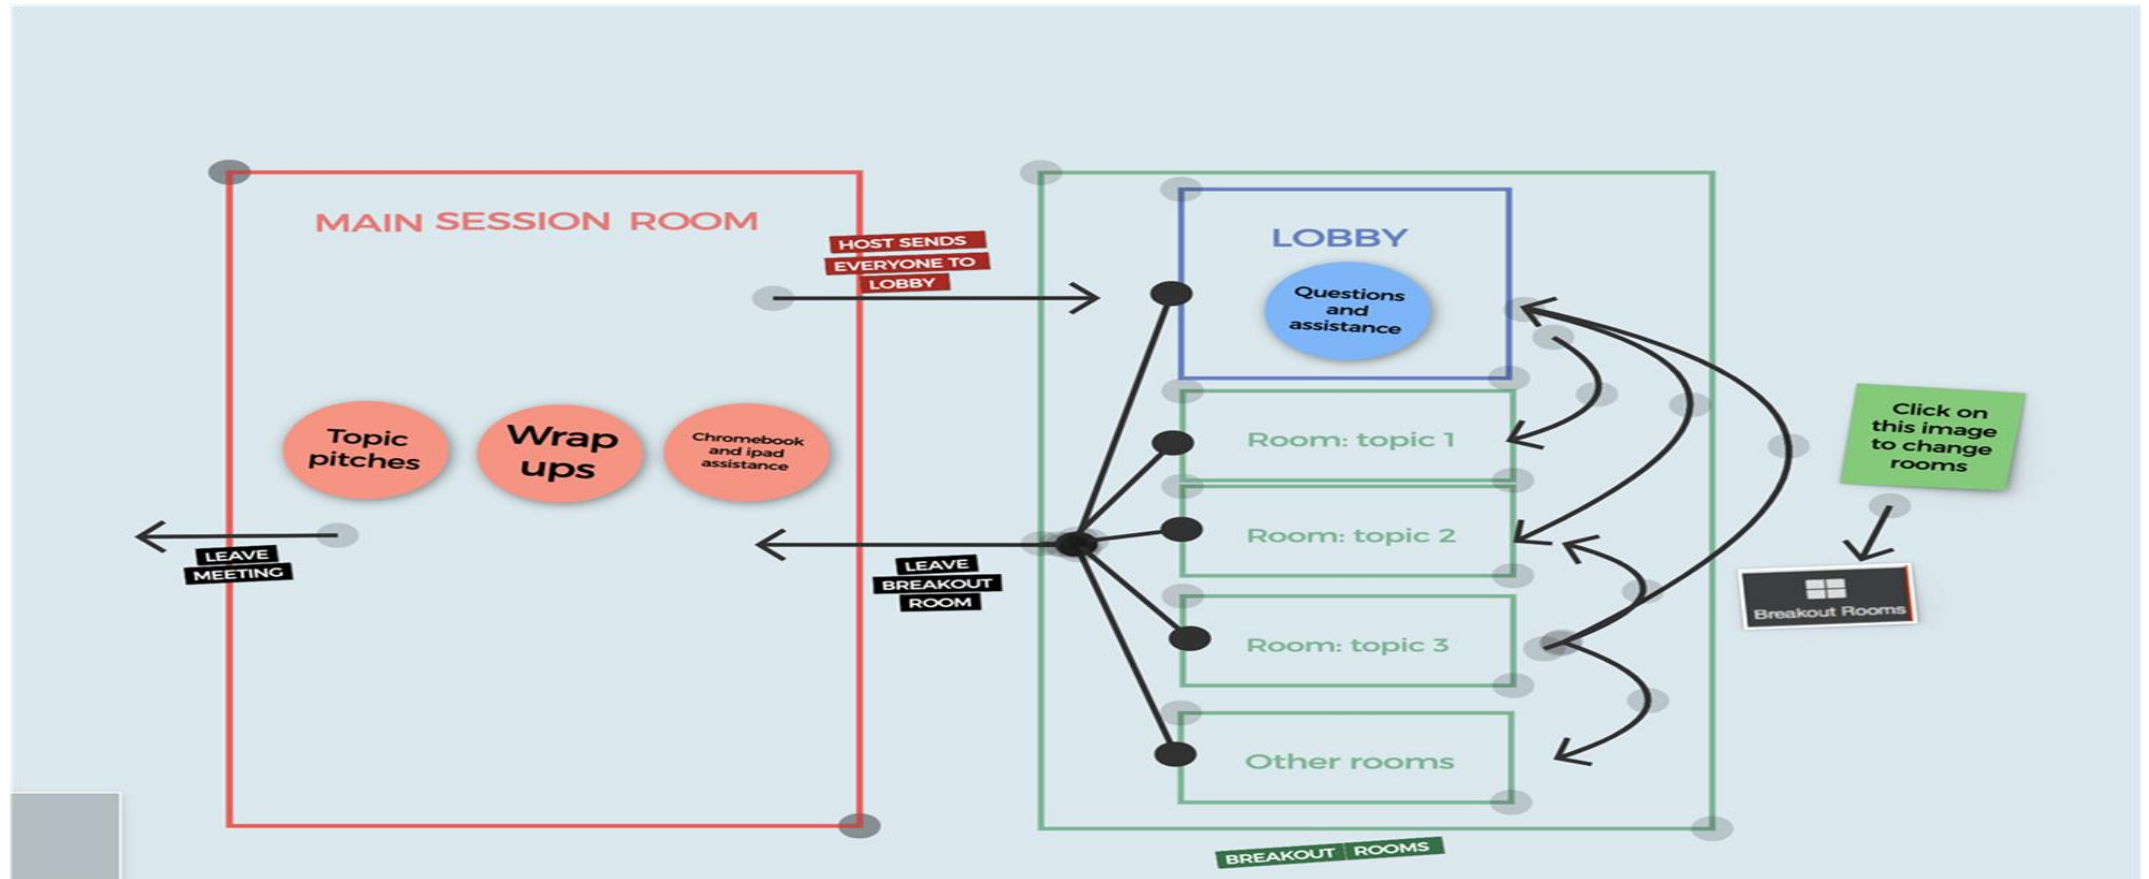

1. Whoever comes is the right people
2. Whatever happens is the only thing that could have
3. Whenever it starts is the right time
4. When it's over, it's over

The one law

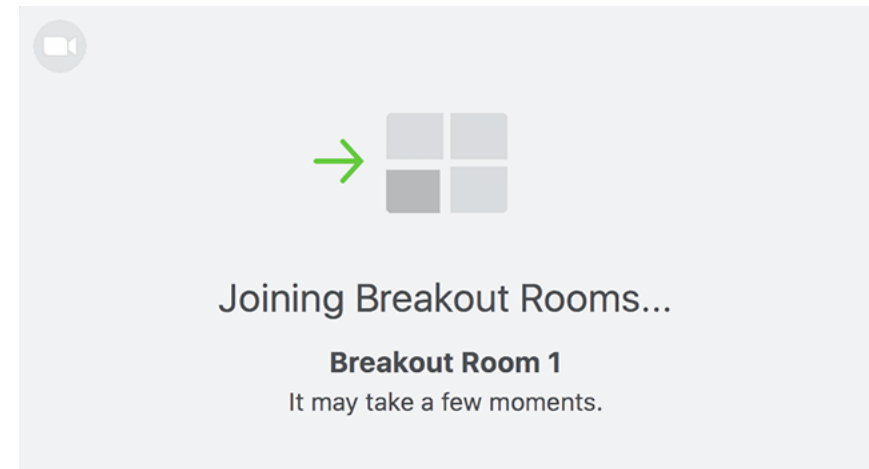

The one law: the law of two feet: If, during our time together, you find yourself in any situation where you are neither contributing nor learning, use your two feet and go to some more productive place
